Although we try to be as accurate as possible when grading your exams, sometimes mistakes do get by. If you feel that part of your exam was improperly graded, please complete this form, attach it to your exam, and return it to Dr. Brown before the deadline posted on the web site for the exam in question. Where appropriate, please consult the exam answer key, which is posted on the web site, before submitting this request. The intention here is to correct actual and substantive errors, not to “renegotiate” the grading of each problem.
